

Adult Internal Medicine

Thank you for taking the time to participate in our patient satisfaction survey. We truly value your feedback.

Your responses are vital in helping us provide the highest quality and most effective care possible.

Here are a few of your responses:

Quote #1: "Great office. I like the individual care I receive. Everyone is so helpful whenever I call and need assistance."

Quote #2: ""I never want for an appointment, waiting room is very comfortable, the staff is the best, yearly physical is very thorough."

99% of our survey respondents said they would recommend us to family and friends!

98% said that our providers give you good advice and treatment.

100% rated the staff as friendly and helpful.

Quote #4: "So User Friendly. If we have a sudden need, we can drop by and be taken care of promptly. The explanations of test are so very thorough and the advice given is easy to understand. Best Doctor I've ever had, for helping me know how to prevent disease"

We did learn that we have some room to improve. Of the patients who responded, 6% indicated they would like to see improvements in the amount of time spent in the waiting room. As a result we will be setting our goals to reduce waiting times and work on finding ways to make improvements.

Thank you again for filling out our Patient Experience Survey!
